Challenge Total:

HOW TO USE THIS TRACKER:

Group Point Total

Insert the Group Point Total from your Weekly Point Tracker into this column.

Educational Activity Points

If your group participated in a hands-on Educational Activity for this week, insert 500 points in this column. *(If more than one hands-on Educational Activity is done per week, 500 points should be added for each activity.)*

Weekly Point Total

Add the Group Point Total and the Educational Activity Points to get your Weekly Point Total for your group.

Challenge Total

As your group progresses through the challenge, add the Weekly Point Totals to arrive at your overall Challenge Total. Use the Challenge Total to determine the Exploration Level achieved.

Exploration Level	Points
Mercury Musclers -----	800
Gemini Jumpers -----	1,200
Apollo Acrobats -----	1,700
Skylab Skippers -----	2,300
Apollo-Soyuz Steppers ----	2,900
Space Shuttle Shufflers ---	3,600
ISS Sprinters -----	4,300
Orion Energizers -----	5,000

Certificates may be printed and awarded after the challenge period has ended or as the groups point total progresses. Certificates may be personalized and awarded individually or for the entire group.
